

Certificate in Conversational Chinese

Introduction

The course provides students an extensive practice of speaking Mandarin. Students will be involved heavily during the course and they will be guided by a professional trainer.

At the end of the programme, students will have learned and practiced conversational Mandarin, sufficient to carry out daily basic conversations in work and life.

Atlantic Institute of Higher Learning (AIHL)

AIHL aims to provide our students a holistic learning experience by keeping the size of the class as small as possible.
